

## § 967.38

## 7 CFR Ch. IX (1-1-99 Edition)

(f) Annual registration of Base Quantity holders will be required no later than May 1 or such other date as may be approved pursuant to regulations. For the 1977-78 season Base Quantity holders shall register within 30 days following the effective date of this part but no later than July 31, 1977. Any Base Quantity holder who does not register or who has not made firm and substantial commitments to produce celery for the forthcoming season shall have his Base Quantity eliminated from the calculations in determining the Uniform Percentage. However, such procedure will not cause the Base Quantity holder to lose his Base Quantity.

[30 FR 14266, Nov. 13, 1965, as amended at 42 FR 32763, June 28, 1977]

### § 967.38 Marketable Allotments.

(a) When the Secretary establishes a season's Marketable Quantity, a percentage shall be determined by dividing the amount fixed as the season's Marketable Quantity by the total Base Quantities of producers who have registered with the committee pursuant to § 967.37(f).

(b) The Marketable Allotment for each producer shall be established by the committee by multiplying his Base Quantity by the appropriate Uniform Percentage. The resulting amount shall be his Marketable Allotment for a season. The committee shall notify each producer of his allotment.

(c) After a producer has been notified of his Marketable Allotment, he shall, in turn, notify the committee, on forms furnished by it, the handler or handlers who will first handle all or a portion of his Marketable Allotment for the ensuing season, as well as the number of crates each such handler will so handle. This information shall be sent by the committee to the respective handlers.

(d) If the committee recommends and the Secretary approves, that no season's Marketable Quantity be established, the Marketable Allotment of each producer shall be unlimited.

(e) When the Marketable Quantity is equal to or smaller than total Base Quantities, the first 37,500 crates of each producer's Base Quantity shall be subtracted from both the Marketable

Quantity and total Base Quantities when the Uniform Percentage is calculated in this section (§ 967.38(a)), and the Uniform Percentage for the first 37,500 crates will be 100 percent. In the event the Marketable Quantity exceeds total Base Quantities, there shall be no exemption for the first 37,500 crates and the Uniform Percentage shall be applied to each producer's total Base Quantity.

(f) Marketable allotments shall be issued only to producers who have registered by May 1, or such other date prescribed by the Secretary, and indicated firm and substantial commitments for the production of celery for the forthcoming season.

[30 FR 14266, Nov. 13, 1965, as amended at 42 FR 32764, June 28, 1977]

### § 967.39 Transfers.

(a) Producers' Base Quantities or Marketable Allotments, or both, may be transferred upon appropriate requests therefor, pursuant to § 967.37 and upon approval of the committee.

(b) Any producer with a Base Quantity may request a transfer of all or a portion of his Base Quantity for a specified period of time.

(c) Any producer with a Marketable Allotment may request a transfer of all or a portion of his Marketable Allotment during a current season.

(d) Producers must advise the committee, prior to final approval of a transfer, that a different amount will be handled by a handler or handlers due to any transfer authorized in paragraph (c) of this section. The committee, upon receipt of such notification, shall advise the handler or handlers involved of the adjustments in the amount they may handle as first handlers thereof for the current season, based upon the number of crates involved in the transfer, as well as issue revised Marketable Allotments to the producers involved.

## OTHER REGULATIONS

### § 967.40 Issuance of other regulations.

(a) The Secretary may limit the handling of celery whenever he finds from the recommendations and information submitted by the committee, or from other available information, that such
